

# ABDULLAH AL FOYSAL

Front End Developer

## About Me

Hard-working and motivated CSE undergraduate seeking an entry-level role in cybersecurity or web development. I aim to apply my technical skills, problem-solving ability, and creativity to support a professional team while improving my expertise in ethical hacking, network security, and modern web technologies. I am committed to continuous learning, time management, and delivering quality work, with the goal of contributing effectively to an energetic and growth-oriented organization.
